Motorcycle Safety

May is Motorcycle Safety Awareness Month

National Ride to Work Day - June 17, 2019

Motorcyclists have the same rights and privileges as any other motor vehicle operator on the road. Our three major campaigns include:

- **Motorist Awareness of Motorcycles**, focusing on helping motorists understand standard motorcycle driving behaviors and to learn how to drive safely around motorcycles on our roadways.
- **Rider Safety**, focusing on the ways that motorcyclists can increase their riding safety.
- **Share the Road**, focusing on promoting motorcyclist awareness and safety to both motorcycle riders and motor vehicle drivers.
- **Stop Impaired Riding**, focusing on saving lives of those who make the wrong choice to drink and ride.

Use these materials and resources to promote motorcycle safety in your community.
