Solicitation Number: 693JJ918R000008 **Notice Type:** Combined Synopsis/Solicitation

Synopsis:
 Added: Jan 25, 2018 10:04 am

The U.S. Department of Transportation, National Highway Traffic Safety Administration's (USDOT/NHTSA) mission is to prevent and reduce deaths, injuries, and economic losses resulting from automotive travel on our nation's roadways.

The National Highway Traffic Safety Administration (NHTSA), United States Department of Transportation will lead the U.S. Delegation as the sponsoring Government that is responsible for certain technical aspects of the conference in The Netherlands. The Enhanced Safety of Vehicles (ESV) Program consists of 15 member countries and/or international organizations each represented by a Government Focal Point Member (GFP). The United States GFP serves as Chairman of the ESV Program, and is responsible for the technical program. For purposes of improving the overall quality of vehicle safety research presented at the 26th Enhanced Safety of Vehicle (ESV) Conference, in The Netherlands, June XX, 2019. NHTSA is giving authors an opportunity to have their research papers peer-reviewed and published in a special edition of a recognized vehicle safety scientific journal. NHTSA will contract for professional services to review and publish these documents containing information about leading edge vehicle safety technology and innovation. The published papers shall be available via a Windows accessible link made free to the public in perpetuity.
