Are you that stupid. This is a true nightmare these thing will kill people. The blood will be on the hands of Chao an other head at dot an fmcsa. All you need to is look at Tesla an the other self driving vehicles. All they do is fail an kill people. Now you want to turn 80000 pounds lose with no one at the wheel. You people really need to do your job an quit listening to the liars at the ata an the big trucking company's. Just pull your head out of your ass for once.
