Description

The objective of this procurement is to provide the professional services to support the implementation of the Uniform Guidelines for State Highway Safety Programs, Guideline No.4 for Driver Education through the development and implementation of the Novice Teen Driver Education and Training Administrative Standards (NTDETAS). In doing so, the Contractor must be familiar with the NTDETAS, Driver Education Content Curriculum Standards, National Instructor Training/Credentialing standards, NTDETAS Implementation Guide, and the NTDETAS Strategic Plan to assist States with proper execution. Additionally, the Contractor shall provide technical assistance to States using the most recent NTDETAS and the NTDETAS strategic plan to support and guide State's novice teen novice teen driver education efforts. Technical assistance is to be offered in the form of immediate personalized help, formative State self-assessment guidance and feedback, and/or execution of an intensive comprehensive State assessment as a resource for States to identify and resolve barriers to implementation of a driver education program and the NTDETAS. A State's request for Driver Education technical assistance may be in response to requests from the SHSO, NHTSA Regional Offices or other responsible driver education agencies.
