Re: Docket NHTSA-2015-0101

Pursuant to Hyundai Motor America's "Commitment to Advancing Automatic Emergency Braking Technology" (the "Commitment"), submitted to the docket on March 25, 2016, Hyundai Motor America hereby reports that:

Automatic emergency braking ("AEB") technology conforming to Sections 1.A and 1.B of the Commitment was included on 96% of light duty vehicles and trucks 8,500 lbs. GVWR or less manufactured for sale in the United States from September 1, 2019 through August 31, 2020.¹

Please contact me if you have any questions on this matter.

Sincerely,

A handwritten signature in black ink, appearing to read 'Brian Latouf'.

Brian Latouf
Chief Safety Officer
North American Safety Office

¹ Pursuant to the Commitment, the following may be excluded from this figure: (a) vehicles manufactured for use as police or other emergency services vehicles, (b) vehicles with re-design or end-of-life cycles occurring within 12 months of August 31, 2023, and (c) vehicles with manual transmissions (which will be equipped with AEB as standard equipment on substantially all such vehicles no later than 2024).
