

## **Comment from The League of American Bicyclists**

Posted by the **National Highway Traffic Safety Administration** on Dec 15, 2021

The League of American Bicyclists recently partnered with Argo AI to develop guidelines for interactions between automated driving systems and people bicycling.

Here is the press release: <https://bikeleague.org/content/league-american-bicyclists-assists-argo-ai-developing-best-practices-autonomous-vehicles>

Here is a blog with a bit more information: <https://groundtruthautonomy.com/argo-league-of-american-bicyclists-guidelines-help-autonomous-vehicles-safely-coexist-with-cyclists/>

We feel it is critically important that the safety of people biking and walking is a core competency of automated driving systems. We look forward to working with NHTSA to ensure that their development is a positive development for people who bike and walk.
