AS A TRUCK DRIVER I AM NOT OK WITH THIS. CURRENT AUTOMATED SYSTEMS, IF THEY FAIL, CAUSES ME TO BREAK DOWN. THIS SYSTEM IF IT FAILED WOULD CAUSE BLINDNESS WHILE I DRIVE. WHAT IF I AM IN THE 3RD LANE ON A 5 LANE HIGHWAY AND MY RIGHT VISIBILITY CAMERA GOES OUT? WITHOUT MIRRORS I WOULD HAVE TO WORK MY WAY TO THE SHOULDER HOPING I DIDNT HIT A ANOTHER VEHICLE. OR I WOULD HAVE TO GO TO THE LEFT MORE DANGEROUS SHOULDER AMD WAIT FOR A REPAIR. THIS COULD BE VERY DANGEROUS FOR THE PUBLIC.
