

## **Comment from Joe Kudrna**

Posted by the **National Highway Traffic Safety Administration** on Mar 29, 2022

Dear Committee,

I am FOR the optional use of cameras with or in addition to traditional side mirrors.

I hope that ALL NEW CARS BE DESIGNED WITH OPTIONAL SIDE CAMERA, even if not installed. This option can be at factory, or added by customer at later date.

I also encourage an ability to record the video, as it will be invaluable in accident investigation (with that it would be beneficial to have forward facing cameras).

Thank you.
