**Re: Revision: 2022MY Kia EV6 Parts Marking Locations (49 C.F.R. 541)
Docket No. NHTSA 2009-0069**

Dear Docket Management Facility,

Pursuant to the requirements specified in 49 C.F.R. Part 541, Federal Motor Vehicle Theft Prevention Standard, the Hyundai-Kia America Technical Center, Inc. ("HATCI") is submitting the required parts marking locations on behalf of the Kia Corporation. HATCI is submitting a revised report to update the parts marking locations for the front and rear door. This revision also corrects the model year from MY23→MY22 for the EV6. This report was originally submitted on November 16, 2021.

Should you have any questions, please feel free to contact me at (734) 337-2213 or RWillard@hatci.com.

Sincerely,

Ric Willard
