National Highway Traffic Safety Administration  
1200 New Jersey Ave, SE  
Washington, DC 20590

Electronic Submission: Docket NHTSA-2015-0101

Mazda has met its equipment and reporting obligations to the Automatic Emergency Braking (AEB) voluntary commitment. This letter affirms that commitment will continue, with AEB systems conforming to the specifications previously set forth being offered as a standard feature on over 95% of all US Mazda vehicles.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer Morrison'.
