RE: Docket Number NHTSA-2019-0126

Mitsubishi Motors Corporation (MMC) writes to provide an update on progress following the establishment of the *Leading Automakers' Commitment to Implement Rear Seat Reminder Systems* (the "Commitment") in September 2019.¹

The following provides a listing of the nameplates manufactured for sale in the United States beginning on September 1, 2021, through August 31, 2022, that are included in MMC's Commitment Fleet. This serves as MMC's required Annual Report under the Commitment.

Vehicle Make and Model (Nameplate) Listing

** Rear seat reminder system is provided a standard equipment as defined in the Commitment*

- Mitsubishi OUTLANDER *

The overall proportion of vehicles manufactured for sale in the United States beginning on September 1, 2021, through August 31, 2022, that are included in MMC's Commitment Fleet, was 45.5 percent.

Please contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "T. Suekuni".

Tomohiro Suekuni, Manager
Vehicle Certification
Cert. & Reg. Compliance Department

¹ *The Commitment was established by members of the Alliance of Automobile Manufacturers, Inc., and the Association of Global Automakers, in September 2019. These organizations merged in 2020 to form the Alliance for Automotive Innovation. A copy of the Commitment can be accessed here:*
