RE: Docket Number NHTSA-2019-0126

On behalf of BMW AG, BMW of North America, LLC is providing an update on progress following the establishment of the Leading Automakers' Commitment to Implement Rear Seat Reminder Systems (the "Commitment") in September 2019.¹

The following provides a listing of the nameplates manufactured for sale in the United States beginning on September 1, 2021, through August 31, 2022, that are included in BMW AG's Commitment Fleet. This serves as BMW AG's required Annual Report under the Commitment.

Vehicle Make and Model (Nameplate) Listing

All models listed are equipped with a standard rear seat reminder system.

- 2023 BMW iX
- 2023 BMW 7 Series (including i7)
- 2023 BMW X7

The overall proportion of vehicles manufactured for sale in the United States beginning on September 1, 2021, through August 31, 2022, that are included in BMW AG's Commitment Fleet was 1 percent. BMW will continue to ramp up implementation in the coming years.
