RE: Docket Number NHTSA-2019-0126

General Motors writes to provide an update on progress following the establishment of the *Leading Automakers’ Commitment to Implement Rear Seat Reminder Systems* (the “Commitment”) in September 2019.¹

The following provides a listing of the nameplates manufactured for sale in the United States beginning on September 1, 2021, through August 31, 2022, that are included in General Motors’ Commitment Fleet. This serves as General Motors required Annual Report under the Commitment.

Vehicle Make and Model (Nameplate) Listing

General Motors’ Rear Seat Reminder system is provided as standard equipment as defined in the Commitment on the following vehicles built between September 1, 2021 to August 31, 2022:
