RE: Docket Number NHTSA-2019-0126

Mercedes-Benz writes to provide an update on progress following the establishment of the *Leading Automakers' Commitment to Implement Rear Seat Reminder Systems* (the "Commitment") in September 2019.¹

The following provides a listing of the nameplates manufactured for sale in the United States beginning on September 1, 2021, through August 31, 2022, that are included in Mercedes-Benz's Commitment Fleet. This serves as Mercedes Benz's required Annual Report under the Commitment.

Vehicle Make and Model (Nameplate) Listing

** Rear seat reminder system is provided as standard equipment as defined in the Commitment*

- * Mercedes-Benz EQS (SUV)
 - EQS 450+ [369 vehicles]
 - EQS 450 4MATIC [257 vehicles]
 - EQS 580 4MATIC [564 vehicles]

The overall proportion of vehicles manufactured for sale in the United States beginning on September 1, 2021, through August 31, 2022, that are included in Mercedes-Benz's Commitment Fleet, was 0.32% percent.

Please contact me if you have any questions.

Sincerely,

Gregory Gunther
Department Manager
Vehicle Compliance and Analysis

¹ *The Commitment was established by members of the Alliance of Automobile Manufacturers, Inc., and the Association of Global Automakers, in September 2019. These organizations merged in 2020 to form the Alliance for Automotive Innovation. A copy of the Commitment can be accessed here:*
