

# Memorandum

U.S. Department of Transportation  
**National Highway Traffic Safety  
Administration**

Subject: Docket Submission of Meeting with Continental  
Automotive Corporation

Date: 6/28/2023

From: Essie Wagner  
Director  
Office of Behavioral Safety Research

To: Docket Number: NHTSA-2022-0079  
Advanced Impaired Driving Technology

Through: Terrence Sommers  
Assistant Chief Counsel  
Vehicle Safety Standards and Harmonization

On June 23, 2023, staff from the National Highway Traffic Safety Administration (NHTSA) met with Continental Automotive Corporation (Continental). Participants discussed information related to alcohol sensing technology, one of several technologies that may be considered in a currently pending rulemaking matter. Continental participants were also interested in learning more about legislation regarding impaired driving mitigation. NHTSA provided a link to the public website describing the statutory requirements (<https://www.nhtsa.gov/bipartisan-infrastructure-law>) and a link to the reginfo.gov page for the pending rulemaking.

Please submit this memorandum to Docket No. NHTSA-2022-0079.
