NPRM – Part 563, Event Data Recorders

Thru: Terrence Sommers
Assistant Chief Counsel
Vehicle Safety Standards and Harmonization

On November 30, 2022, representatives from Nissan Group of North America (Nissan) met with NHTSA staff (per Nissan's request). The meeting included discussion of the NPRM on proposed changes to the recording requirements of Event Data Recorders under Part 563.

The following is list of meeting attendees from NHTSA and Nissan.

NHTSA: Louis Molino, Sara Bennett, Carla Rush, Joshua McNeil, Whitney Tatem, Stephen Summers, Thomas Kang, Peter Martin, Ian Hall, John Martin

Nissan: Yasushi Asami, Takeshi Imamura, Takahiro Oi, Elsa Foley, Zhigang Wen

The discussion concerned the lead time associated with increasing the duration and frequency of certain data elements recorded by EDRs as discussed in the NPRM. A non-confidential version of the presentation by Nissan is being placed in the docket.

Please submit this memorandum and the enclosed presentation to Docket No. NHTSA-2022-0021
