Re: Revised 2025MY Kia K5 Parts Marking Locations (49 C.F.R. 541)
Docket No. NHTSA 2009-0069

Dear Docket Management Facility,

Pursuant to the requirements specified in 49 C.F.R. Part 541, Federal Motor Vehicle Theft Prevention Standard, the Hyundai-Kia America Technical Center, Inc. ("HATCI") is submitting the required parts marking locations on behalf of the Kia Corporation. HATCI is submitting a revised report for the MY25 Kia K5 parts marking locations that supersedes the report submitted on February 28, 2024. This revision corrects the placement of the original equipment and replacement target area locations on the Side OTR.

Should you have any questions, please feel free to contact me at (734) 337-2213 or RWillard@hatci.com.

Sincerely,

Ric Willard
